

# Memo

RE: Program Closure

From: Greg Bechard, Executive Director of EDCL

April 1, 2020

---

Please be advised that all day program locations, passport supports and respite supports are closed until further notice.

I am hoping that the next memo I send will be notification of the resumption of supports and services offered by EDCL. We appreciate the challenges this presents to our families but hope everyone understands that we have no choice and that through the enforcement of social distancing that we can resume our normal lives that much quicker.

Take care everyone and I hope to be seeing everyone soon.

Greg  
Executive Director  
EDCL
